# ABOUT US

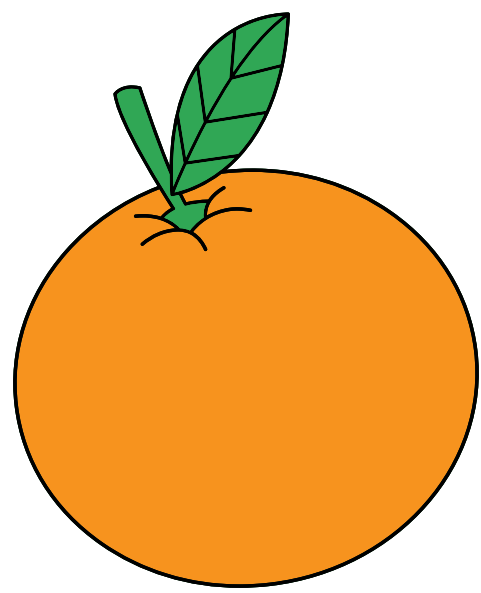

Established in 2006 in Semnan, Iran, Royal Azin Ghomes has grown into a leading company in the field of agricultural exports, with a focus on delivering high-quality fresh and dried fruits, nuts & kernels, dates & natural sweets, medicinal herbs & dried flowers, saffron & premium spices to customers across the globe. Our company combines traditional agricultural wisdom with modern processing and packaging technologies, ensuring that every shipment meets international quality and safety standards. All our products undergo strict quality control procedures and are carefully packaged to preserve their natural taste, aroma, and nutritional value during international transportation.

With nearly two decades of experience in international trade, we have built strong, long-term partnerships with clients across the Middle East, Europe, and Asia. Our operational history reflects stability, reliability, and deep industry knowledge

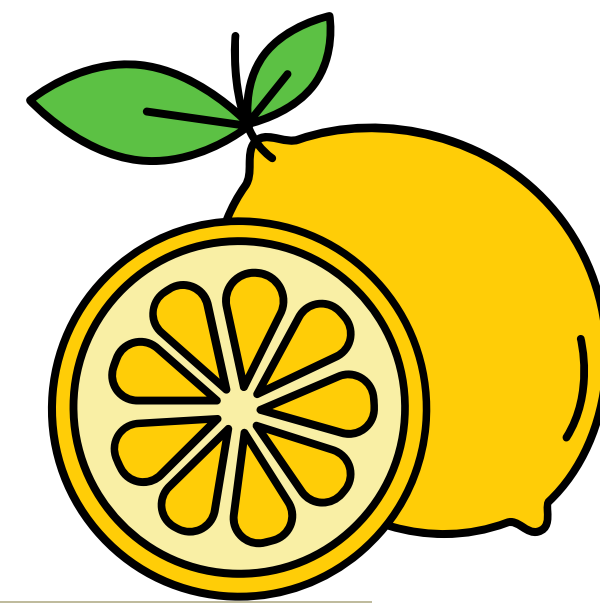

# FRESH FRUITS & VEGETABLES FROM IRAN

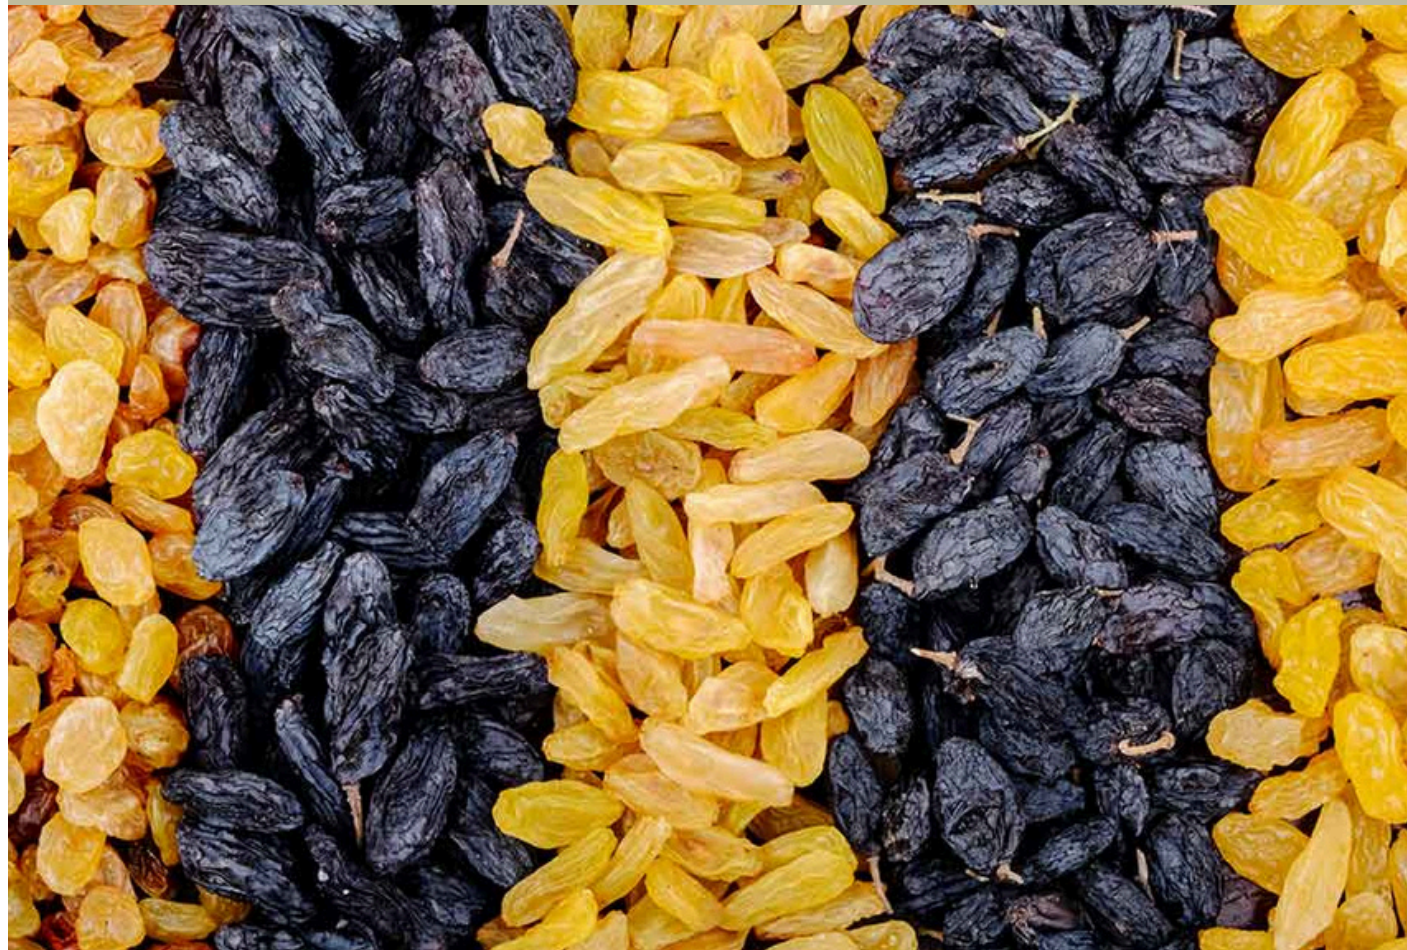

## NATURE'S FINEST, DELIVERED GLOBALLY

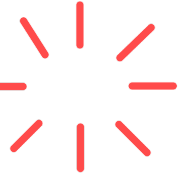

### Why Choose Our Fresh Range

- Sourced directly from Iran's finest orchards and farms, ensuring peak ripeness and natural flavor.
- Rigorously quality-controlled with traceability from field to port, for consistent safety and freshness.
- Harvested and packed under in-process ISO and HACCP standards to meet global export requirements.
- Expertly handled and shipped via refrigerated logistics to preserve texture, taste, and nutritional value.
- Backed by 15 years of export excellence, we deliver premium produce tailored to your market needs.

# WHAT MAKES OUR DRIED FRUITS EXCEPTIONAL

**01** Sun-dried for pure sweetness

**02** 18–20% moisture for perfect chew

**03** No added sugars or preservatives

**04** Sourced from premium Iranian orchards

**05** ISO & HACCP certified for export quality

# NUTS & KERNELS

## IRANIAN EXCELLENCE IN EVERY BITE

We offer a wide range of export-grade pistachio varieties, each tailored to different international market needs

We offer both sweet almonds and bitter almonds, in various forms to meet the needs of food processors, snack producers, and retailers worldwide

Our walnuts are widely used in baking, cooking, snacking, and oil production across Europe, the Middle East, and Asia

We supply both in-shell and shelled hazelnuts, processed and graded to meet international standards for confectionery, chocolate, and snack industries
